

Customer Communication - ISO Certification Press Release

FOR IMMEDIATE RELEASE

Cypher, LLC Achieves ISO 9001 Certification

Leesburg, VA - 08/05/2019 **Cypher, LLC**, an industry leader in technology services, is pleased to announce today that it has earned ISO 9001 certification. The comprehensive system audits covered every aspect of operations.

"Any company that has been through the certification process knows that achieving ISO 9001 certification is demanding," said **Joseph Anderson, Founder and CEO of Cypher, LLC**. "Each individual in our operations must be wholly dedicated to the pursuit of quality. By scrutinizing our enterprise at every level, we assure that our customers are receiving superior customer service and the highest quality products and services."

ISO 9001 is a quality management system standard that was developed by the International Organization for Standardization, which is an association of governmental and nongovernmental organizations from many countries. The ISO 9001 standard is utilized to certify quality management systems that focus on continuous improvement, customer satisfaction and the active involvement of both management and employees in a process based approach.

"Fulfilling the strict requirements of the ISO 9001 standard highlights our focus and commitment to deliver total customer satisfaction," **Lisa Anderson, COO** said.
